

Holiday Savings Plan

Split what the trip will cost over the weeks you have left, then tick a week off every time you put the money aside.

What I am saving for: _____

I need the money by: _____

Total target: _____

Amount per week: _____

Week	Date	Paid in	Running total	Done

What the money is for	Estimated	Paid so far	Still to pay
Travel and transfers			
Accommodation			
Food and eating out			
Activities and tickets			
Insurance and visas			
Spending money			
Presents and extras			
Total target			

Notes and booking dates

Work the weekly amount out yourself: the total target divided by the weeks left. If a week is missed, add it to the next one rather than moving the date.
