

Puppy Vaccination & Vet Log

The puppy

Name: _____

Breed: _____

Date of birth: _____

Came home: _____

Sex: _____

Microchip: _____

Vet and insurer

Vet clinic: _____

Clinic phone: _____

Out of hours vet: _____

Insurance policy: _____

The rows are blank because vaccination and worming schedules differ by country, by breeder and by animal. Write down what your vet actually gives and what they say is due next, and keep the clinic's own record as well.

Date	Age	Weight	Reason for the visit	Given or done	Next due	Vet initials

Worming, flea and tick treatments

Date	Product	Weight it was dosed for	Next due
